

# Central Division & PSIA-AASI PREP WORKSHOP for NSP TRAINERS

**Overview:** This course will provide an in-depth review of PSIA/AASI The Learning Connection, focusing on People Skills, Teaching Skills, Technical Knowledge, Movement Analysis and Technical Skills. The participants will review Ski/Ride Fundamentals and benchmarks as established by PSIA-AASI in the *Alpine Technical Manual*, *Snowboard Technical Manual*, and *Teaching Snowsports Manual*. This comprehensive review will serve as a valuable resource to assist participants in preparing for their PSIA Level 2/3 Examination. Furthermore, participants will engage in practice sessions to refine their Movement Analysis, Peer Teaching, and Providing Feedback skills, thereby advancing their teaching proficiency. Participants will receive written feedback to assist them in their development.

**Who Should Attend:** **Region Trainers** who already have their Level I or 2 PSIA-AASI certification and are actively preparing for their Level 2 or 3 examinations.

**Instructors for the Event:** NSPC Ski School Division Staff

**Certification:** Certification of Completion
